CORAM : MR.JUSTICE A.N.DIVECHA

ORAL ORDER

The impugned appellate order was passed as early as on 31st July 1990. It is sought to be challenged by means of this petition nearly five and half years thereafter. The ground given for this inordinate delay on the part of the petitioner is that he suffered three heart attacks during the intervening period. No particulars are given on what date he suffered such heart attacks nor any particulars are mentioned as to how long he was required to take rest and how long he was unable to attend to his daily routine. No medical certificate accompanies this petition in support of such statement. The explanation given for this inordinate delay is quite vague and it cannot be entertained. This petition is therefore summarily rejected.
